It gives me immense pleasure to know that the primary section of this Vidyalaya is bringing out the News Letter issue for the session 2019-20.

News Letter is obviously the most befitting platform which provides wonderful opportunity to the tiny-tots to showcase their latent talents. Further, it is also a mini mirror of the scholastic and co-scholastic achievements of our primary students.

At this outset, I congratulate the Editorial Board, all the members of staff and students of primary section who have contributed to bring out this issue of the News Letter.

SMILE

Shortage of time in our life ;
Now a days a mode of contact through life.
Mostly we are staying in a mental depression ;
Becomes reason of rising our tension.
Increasing the workload in our job eager ;
But in in love life increasing a great barrier.
Lack of time to spend with our dear ones ;
We should do something to enjoy our life further.
Ego and anger are not the solutions to problems ;
With love and smile on our face we can make life easier.

Keep on smiling.....

THE MASTER TRICK

Once a fox was roaming in a forest in search of food. Suddenly he came across a wild cat who was also prowling about for food. Both of them exchanged wishes and then started chatting. "I hate hounds" set the fox. "Me too" replied the cat. "They are Swift at running but they cannot catch me. I know a number of tricks to be safe from them" boasted the fox. "What tricks do you know, Mr Fox?" asked the cat. "A good many indeed. I can run along a thorny hedge. I can hide in thorny tickets too. I can get into burrows as well. These are only a few of the many tricks that I know replied the fox. "But I know only one master trick", replied the cat. "It's so sad indeed. How can you be safe with only one trick ?" Argued the fox. "I can and I always do" replied the cat. "What is it, by the way?" asked the fox. "I will let you know just now. First look there at a distance. I can see a pack of hounds coming to the saddens and virtue" said the cat. Saying this, the cat ran up the trunk of a nearby tree and sat on a high branch safely. But the hounds have the fox a lot of chase. Before long, they over tool him and tore him to pieces.

Moral- it is better to be the master of an art.

HILL STATION

A hill station is a very beautiful place to visit. During the summer vacation I went to Shimla. My relatives leave in Shimla. They called me and my parents to come there and enjoy the wonderful creation of nature. We boarded the train and reached there. The train moved through many tunnels. It move very slowly. Whatsoever, when we reached there, we were wondered to see the natural scenery and mountains. At that time snowfall was going on. We enjoyed and played a lot with snow. Shimla was very charming. It was the first wonderful place I have ever visited. We also visited the temple of Jukkhu and Kufri hill station. We also bought many things and some presents for our relatives. Me and my family enjoy there a lot. it's an unforgettable visit to any hill station in my life.

School life

Some of our mistakes are not acceptable
Moments spend in the school are unforgettable
When teacher got late for the class
We all were found outside the class
Like a lion has a habit of roaring
Some friends in the school were so boring
In the school teacher were restless
Time spend with each other is priceless
Some friends were interested in fighting
Waiting for the bell to rang was very exciting
In life, we are facing many fear
Thanks to school for giving us beautiful year.

The power of knowledge

Knowledge is success -In today's world without education and the power Knowledge, It is not possible to succeed in life or even keep up with the fast -paced life. It is not just enough to have knowledge on a particular subject to succeed but it is also important to have knowledge about how to use it effectively to succeed .one should have knowledge about various aspect of a subject .There are very few people out there who truly understand the importance of knowledge .Knowledge is power but knowledge does not always come with power. Knowledge is "the state of awareness or understand gained from experience or study..... learning specific information about something.

मेरा दोस्त

एक छोटा बहुत सुन्दर सा कुत्ता का पिल्ला इधर-उधर भटक रहा था। मेरे चाचा की आंख उस पर पड़ी। वह उसके पास गए। आ और मेरे पास ले आए, मैंने जब उसे देखा तब मैं बहुत खुश हुआ और मैंने उसको रोटी और दूध खाने को दिय, वह मुझे घुरता रहा, और मैंने उसकी पीठ थपथपाई मैं उसके साथ बहुत खेला और वह मेरे साथ घुल-मिल गया। मैं जब स्कूल जाता था। वह मेरे पीछे भागता था। कुछ समय के बाद वह वापस घर में खाकर सो जाता था। जब मैं स्कूल लौटता था। उसके साथ खेलता था। एक दिन एक गन्दा आदमी तेज से गाड़ी चलाकर मेरे कुत्ते के पिल्ले पर चढ़ा दी। और वह वही मर गया था। मैंने देखा वह मर चुका था। तब मैं रोने लगा। मैं बहुत पछताया क्योंकि मैंने उसे बाहर छोड़ा। मुझे बहुत दुख हुआ। मैं सब बड़ो को विनती करता हूँ कि गाड़ी धीमी चलाए और सभी जानवर का ख्याल रखा।

She knows what is good and what is bad. She does hundreds of work for us. She only wants one thing from us, study hard make a good future. Just always keep a smile on your face full stop tell her all of your problems. She is the best. No one is like her.
