

## STUDENTS' COUNSELLING AND GUIDANCE RULE

### **How to make more discipline in the school premises during Institutional Hour -**

Firstly, Students are to be maintained proper school uniform, counselled by the Teachers and also Principal on daily basis during the Assembly Program.

The records of Late Comers are also maintained by teachers to reduce the ratio of late comers up to zero level.

Students are advised not to be loitering anywhere in the school premises without their class out pass or without the permission of their teachers.

Students are counselled by teachers and Principal, not to gather more than two anywhere in the school premises during Academic Hour.

Students are also counselled to rectify or correct themselves for their better personality and academic improvement time to time by Teachers like Class teacher and Subject Teachers and also Principal.

If Required, then a Counsellor may be Contacted.
